

### BEFORE YOUR WEDDING DAY...

We start with a pre-wedding meeting to get to know more about you as a couple and your expectations for your big day. We are very happy to offer advice regarding timelines, based on our experience, if you would like us to. Samples and details of the albums will be available for you to peruse.

### Pre-wedding Shoot / Venue Check

We perform a venue check with you to peruse photographic opportunities and discuss ideas. At this time also take the opportunity to have some fun with a pre-wedding shoot. This is all part of the package.
